Academic and Administrative Audit 2018-2019

ISME, a distinguished Business School, delivers premier education with a student-centric ethos, global perspective, entrepreneurial ethos, and industry alignment. Established in 2006 by alumni from prestigious institutions like Carnegie Mellon University, Purdue University, and Wharton Business School, USA, ISME boasts faculty with international expertise and alumni from renowned institutions worldwide. Graduating over 1900 students, many now occupy top positions in multinational corporations globally. As part of The NVT Group, a respected conglomerate with diverse interests, ISME contributes significantly to technology, defense, education, and real estate sectors. The Academic Audit Committee recently evaluated ISME's academic activities against NAAC's 7 criteria, focusing on areas such as faculty profile, curriculum development, technology integration, student progression, and the efficacy of student support programs. The committee noted qualitative improvements across these domains over time.
