ADMISSION DIRECTOR'S MESSAGE 53

CREATING PROFESSIONALS WITH AN INTERNATIONAL OUTLOOK

ISME is a leading business school offering world class education through a student focused culture of excellence, international outlook, entrepreneurial thinking and industry alignment. ISME was founded in 2006 by alumni from IIT, IIM, ISB, CMU, Purdue and Wharton, USA.

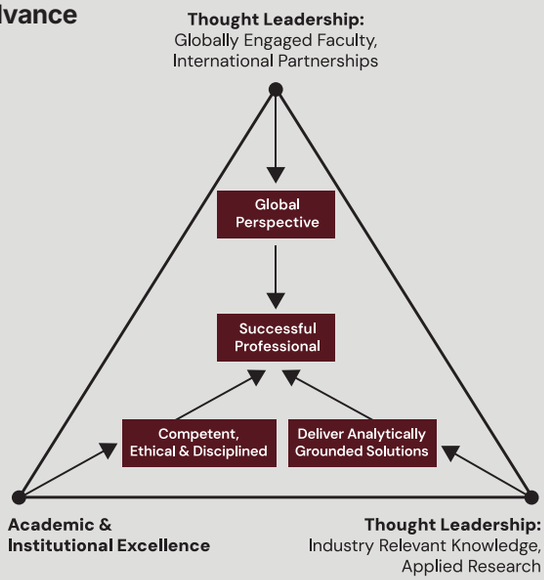

ISME has been accredited by the EQUIS – EFMD (European Foundation for Management Development),a distinction that places the institution among the top 12 management schools in India, alongside leading IIMs. This prestigious recognition ensures that ISME graduate degrees are globally accepted, reaffirming the institute's commitment to world-class management education.

ISME is a part of the global NVT Group, an ISO accreditation body that has certified Companies for over 30 years across 36 countries. The group also consists of National Public School (NPS), the Best CBSE school in Bangalore with 4 branches - Whitefield, East, Marathahalli and Silk Board.

Our Mission

To transform students into successful professionals, and to advance knowledge that drives organisational excellence through:

- **Thought Leadership:** Generating and disseminating industry-relevant knowledge by globally engaged faculty through applied research, international partnerships, and professional development to meet the evolving needs of business and society.
- **Academic Excellence:** Providing an experiential learning environment and internationally benchmarked programs that develop competent, ethical and disciplined professionals with a global perspective and the ability to deliver analytically grounded solutions.
- **Institutional Excellence:** Fostering a culture of innovation, technology-driven processes, continuous improvement and principled governance in all that we do, benchmarked through national and international rankings and accreditations.

Our Vision

To be an internationally recognised institution for industry-focused management education and research that drives professional and organisational excellence

CHAIRMAN'S MESSAGE

"EXCELLENCE IS THE GRADUAL RESULT OF ALWAYS STRIVING TO DO BETTER"

At ISME, we believe that excellence is not achieved in a single moment; it is built through a continuous commitment to learning, innovation, integrity, and the pursuit of higher standards. Our endeavour has always been to create an environment where academic rigor meets practical experience, global perspectives broaden horizons, and every student is encouraged to discover their potential and challenge their own limits.

We invite you to
Explore, Experience and Excel.

Dr. K G Garg
Chairman, NVT Group
BTech & MTech, IIT Roorkee,
Bachelor's Degree from Ae.S.I., USA,
Graduate NDI from AFTC, USA

DIRECTOR'S MESSAGE

AN INSTITUTION BUILT ON EXCELLENCE, DRIVEN BY PURPOSE

At ISME, we are dedicated to shaping professionals who combine academic excellence with practical business insight, global awareness, and unwavering ethical values.

A CULTURE OF EXCELLENCE

ISME's commitment to quality is rooted in the wider NVT Group, which combines a strong legacy in education through its management of leading CBSE schools under the National Public School (NPS) brand in Whitefield, East, Marathahalli, and Silk Board, Bengaluru, and extensive experience in providing ISO 9000 and other international quality certifications to organisations worldwide. Together, these endeavours reflect the Group's enduring commitment to institutional excellence, quality assurance, and continuous improvement.

WHERE EXCELLENCE MEETS RECOGNITION

Our achievements and recognitions across national rankings as one of the top 30 B-School in India, and the award of globally recognised EFMD (European Foundation for Management Development) accreditation reflect our ongoing pursuit of excellence.

"OUR PURPOSE IS TO TRANSFORM EVERY STUDENT INTO A SUCCESSFUL PROFESSIONAL WITH A GLOBAL PERSPECTIVE"

Dean's Message

PERSONALISED TEACHING-LEARNING PROCESS

ISME has been at the forefront of management education since 2006. The thrust of our teaching and learning process is to impart knowledge and upskill our students to make them industry ready. Our curriculum is continuously updated that reflects the latest development and innovation in different fields of management through well researched training methods. In our classrooms, faculty provide an environment that encourages scholarly rigour and intellectual exchange.

We provide carefully selected certification courses to build a strong foundation for careers in emerging industries.

INDIVIDUAL ATTENTION

We believe every student brings unique aspirations, strengths, and ambitions. Our responsibility is to nurture the individuality through personalized teaching, faculty mentoring, and experiential learning.

GLOBAL READINESS & CAREER PATHWAYS

Beyond the classroom through international immersion, industry interaction through orientations, conclaves and guest lectures, we prepare students to take ownership of their journey. Institutional Excellence builds the foundation, Individual Attention makes learning personal, International Immersion expands horizons and Industry Trajectory connects their knowledge to the real world. Over the years, ISME has developed strong association with corporates and business associations like NHRD, BCIC, CII and FKCCI among others. Companies belonging to Consulting, Banking, IT, Digital Marketing, Market Research, Business Analytics visit the campus for placement.

We welcome you to a vibrant community at ISME, where you build partnerships and create a future guided by an outstanding team of faculty and staff.

Dr. Vivek Garg
Director, ISME
B.E, MBA,
Purdue University, USA
Ph.D. - ISB, Hyderabad

LEARNING WITH A GLOBAL EDGE

At ISME, global immersion is woven into the learning journey. Students engage with internationally experienced faculty, diverse academic opportunities, and business practices shaped by different markets. This exposure helps them challenge assumptions, appreciate varied approaches, and develop the adaptability needed to thrive in diverse professional environments.

By combining global perspectives with academic excellence, personalized guidance, and industry-linked experiential learning, ISME equips students to think beyond familiar boundaries. The result is an education that builds not only knowledge of business, but also the confidence and perspective to address challenges in a truly global context.

Tanuj Garg
Director, ISME
MBA, Wharton School of Business,
MS, Carnegie Mellon University, USA

LEARNING BEYOND BORDERS

Management education is designed to be global, and ISME embodies this vision through its EQUIS-EFMD Program Accreditation, the world's most comprehensive system for evaluating business and management programs across face-to-face, blended, and online formats. This recognition affirms ISME's commitment to delivering education that is peer-reviewed, globally benchmarked, and industry-relevant.

By integrating global faculty, international collaborations, certifications, and exposure to diverse business practices, ISME equips students with a broader worldview, cultural awareness, and the ability to approach challenges from multiple perspectives. This holistic experience ensures ISME graduates are prepared not only for successful careers but to lead confidently in a global business environment.

"THE JOURNEY FROM CAMPUS TO CORPORATE BEGINS LONG BEFORE GRADUATION."

Dr. Shampa Nandi
Asst. Dean (Academics) &
Principal (PG Programs)
M.Sc. (Math), MBA, Ph.D. (IIT Dhanbad),
UGC-NET, PGPDSBA-University of Austin,USA

FROM LEARNING TO LEADING

Management education is meaningful when classroom concepts are connected to the realities of organizations. At ISME, we enable our students to understand the world of work while they are still learning.

CONNECTING LEARNING WITH WORK

From day one, ISME's PGDM orientation introduces students to the corporate professionals, offering an early view of how businesses think, operate, and make decisions. Each course is enriched with guest lectures by industry experts, ensuring that classroom theory is consistently reinforced with real-world practice.

EXPERIENTIAL LEARNING FOR REAL IMPACT

Learning at ISME mirrors the workplace. Field projects and experiential assignments place students in situations that simulate real corporate challenges, requiring them to analyze, decide, and deliver as professionals would. The assignments are aligned with each student's chosen sector, helping them build relevant knowledge and a focused professional identity well before placements.

GLOBAL PERSPECTIVES AND PROFESSIONAL CONFIDENCE

Industry exposure is strengthened by ISME's academic excellence, faculty mentoring, and international perspectives. The distinctive Industry Trajectory Program (ITP) bridges education with professional practice. Extended corporate engagement during the PGDM provides real-world exposure, workplace readiness, and PPO opportunities , creating a seamless pathway from classroom to career.

FREEDOM TO EXPLORE

Management education must go beyond the classroom to prepare students for a world shaped by rapid change, evolving business models, and global opportunities. At ISME, the goal is to develop professionals who are agile, innovative, ethical, and ready to make meaningful impact.

AI-EMBEDDED CURRICULUM

A key differentiator is our AI-embedded curriculum, where Artificial Intelligence is integrated across disciplines rather than taught in isolation. Students apply emerging technologies in marketing, finance, operations, HR, and analytics through case study, simulations, and hands-on learning, making technology a natural part of their management journey.

Dr. Sweta Bhasin,
Vice Principal (PG Programs)
Controller of Examinations, Associate Professor
BA (Economics), MBA (Marketing), Ph.D

Program Designed for Growth

Post Graduate Diploma in Management (Two Year Full - Time Course, Globally Accredited by EFMD,Approved by AICTE, Accredited by NBA & Equivalent to MBA by AIU) + International Business Certification Program from MDIS, Singapore

Top 25th All India and 8th in South for BBA by Times of India, 2026

Top 4th B-School by CSR, 2026

Top Commerce College in Karnataka by Academic Insights

Top 30th B-School All India by Times of India, 2025

Top B-School of the year for Best ROI by The Higher Education Review, 2025

A CULTURE OF EXCELLENCE

Where Excellence is a Way of Life

ISME is a part of NVT Group which is a certifier of quality for companies and institutes for ISO 9000, thus excellence runs in our DNA.

Rankings

ISME is a recipient of many awards for Excellence in Education and Best ROI since 2006.

Innovative teaching methodology

Teaching at ISME through experiential learning, case studies and practical projects, provide a new facet to understanding businesses. ISME has been awarded for “Best Innovative Practice” by NHRD.

Blended learning

ISME encourages tools like e-Books, e-Journals, weekend online classes for Dissertation, MOOCS and NPTEL courses and ISME faculty videos on the ISME YouTube Channels, which lead to learning outside the classroom.

Placement-centric coursework

ISME has pioneered the concept of Placement Oriented Value-Added Term (POVAT) that enables students to integrate their learning for opportunities in the corporate world.

Research focus

ISME fosters a vibrant research ecosystem where faculty and scholars undertake rigorous research aimed at enhancing organizational excellence and addressing emerging industry and societal challenges. Through strategic collaborations with reputed national and international institutions, ISME strives to promote high-quality research and create meaningful academic and industry impact.

Insights from industry

ISME hosts 100+ guest speakers and practitioners from the industry every year. There is a strong focus on creating awareness amongst students about current business events through courses and by being a part of panel discussions.

WORLD CLASS SMART CAMPUS

ISME has a state-of-the-art campus and a feel-at-home Hostel facility.

Classrooms

ISME classrooms are thoughtfully designed with smart boards, projectors, and interactive screens, providing a modern, tech-enabled, and student-focused learning environment. Online platforms support assignments, discussions, and access to digital resources

Knowledge Center

The college has an extensive collection of books, magazines, and journals on Management and Information Technology. The library subscribes to many national and international journals and periodicals for students to enhance their learning. Digital libraries & e-resources – online access to journals, e-books, and databases.

ISME library also has access to IIM Bangalore library, INFLIBNET, British Council of India online library and access to databases like EBSCO, Proquest, JSTOR, SAGE online and HBR case studies

State of the Art Auditorium

The college hosts major educational conferences, cultural programs at its state of the art 400 seater auditorium having latest acoustics, audio & video equipments.

Computer Lab

In the Computer Lab, systems are equipped with the latest software to support the academic activities of the students. The entire campus is Wi-Fi enabled.

The advanced computing facilities makes ISME an ideal venue for all major entrance exams. ISME's Computer lab has conducted National level entrance exams such as CAT, XAT, MAT, CLAT, SNAP, UGAT & IPMAT

"The College has a comfortable and student-friendly campus with good learning facilities. Our well-equipped computer lab gives us opportunities to work on presentations, projects, software applications, and other practical activities.

The campus infrastructure provides the right balance of technology, comfort, and learning spaces, making our college experience engaging and productive."

Bianca Lariza Freeman
BBA, 2024-27

Bianca's Testimonial

PERSONALISED MENTORING: A HOLISTIC SUPPORT SYSTEM

Our full-time faculty have lived and worked in countries like USA, UK, China, Mexico, Singapore, Malaysia, UAE, Australia, Africa, France, Germany, Turkey and Bangladesh.

They come with rich experience in global multinationals like HSBC, Ocwen Financials, Deloitte Consulting, Dylon Consulting, Marico, Australian Trade Commission, Wipro, Dell, GE, Axis Bank, ICICI Bank, Infosys, HCL Tech, Flipkart, Samsung, Al- Muftah Group, Toyota Kirloskar Motor, West Corp, KPMG, EY, Kantar, IDC, HLL, Yokogawa, Cholamandalam, Nokia, Bajaj Allianz, IBM among others.

ISME's culture of open-door policy along with the faculty and the top management, individualised attention with faculty to student ratio of 1:12 helps in the transformation of the students.

"The faculty at ISME bring valuable international and industry experience, making learning practical and insightful. Personalized mentoring and individual attention by the faculty, along with industry exposure, student clubs, committees, and leadership development programs, have helped me build professional skills, expand my network. Hence developing the right attitude to succeed in the corporate world".

Manas M Nair
PGDM, 2026-28

Manas's Testimonial

LEARN FROM ACCOMPLISHED FACULTY WITH INTERNATIONAL QUALIFICATIONS AND WORK EXPERIENCE

Mentoring has a profound effect on students' lives by providing personal guidance, academic counseling and support, particularly for those studying away from home.

Personal mentoring addresses students' emotional well-being, personal growth, academic progress thereby creating a support system to help them through challenges. Academic counseling aids in course selection, career planning and study strategies helping students set and achieve goals.

Acitivities I - We have group mentoring sessions, where each Faculty is assigned 10 to 15 students. This helps students to know about their peers and ensure peer learning. The students will understand the academic system and learn in cohesive groups. Various activities are organised which help students build team spirit with skill enhancement such as communication, presentation, time management etc. Mentors guide students on international knowledge board competitions which makes the student become aware of 100+ countries.

Acitivities II - Health & well-being sessions are organized ensuring holistic development. The sessions are organised on topics like Emotional Intelligence, Nutrition Management, Stress Management, Risk management etc.

In Senior years - Faculties are approachable & students can book time slots of their choice to meet a respective faculty and talk to them for 30 minutes.

Outcomes of Mentorship for Students

- Enhanced self-confidence and resilience.
- Improved academic performance and study habits.
- Clearer career goals and pathways.
- Greater emotional stability and personal well-being.
- Development of strong interpersonal and problem-solving skills.

Mentorship equips students with the tools and confidence to succeed both in their academic and personal lives, paving the way for future success.

"My journey at ISME has been enriching. The Singapore immersion program boosted my confidence and broadened my horizons.

I'm grateful to my faculty and guest lecturers for their support in helping me secure a placement at KPMG as an Audit Associate."

Banesh's Testimonial

Banesh M
B.Com + ACCA, 2023-26

Abisha's Testimonial

"My PGDM journey at ISME has helped me develop practical skills and gain industry exposure through internships, presentations, and workshops.

The guidance and support of Faculties have been instrumental in my career journey. I'm happy to have secured a placement aligned with my HR specialization."

Abisha Ojha
PGDM, 2024-26

MENTORSHIP BEYOND ACADEMICS

There's life beyond academics, and ISME is just the kind of place to hone skills and participate in events outside of academic programs in various co-curricular and extra-curricular activities.

Student Development Council (SDC)

Student Development Council (SDC) at ISME places a strong emphasis on developing well-rounded people who are not just academically capable but also emotionally strong, socially conscious and equipped to face the rigours of the working world. The SDC acts as a system of support for students that goes beyond the classroom, concentrating on their academic, professional, and personal growth.

SDC enables students to develop leadership skills through Clubs, Labs, Extra-Curricular and Cultural activities. These activities improve the student's capacity for creativity, leadership, interpersonal communication and promote the value of leading a balanced life.

The SDC also has a formal mentorship program to enable students to discover their hidden potential and get personalised guidance beyond the classroom. All the events are led and organised by students.

Literary & Communication Club

Speech Weavers – The Communication Club has been formed to improve the speaking abilities among our students making them orators for life. The objectives of Communication Club are to understand Public Speaking skills, analyse the inhibiting factors and apply the 7C's of Communication.

E - Cell

The Entrepreneurship cell of ISME is committed to foster the entrepreneurial spirit among the students. It gives a platform in terms of mentoring, training and knowledge dissemination to convert path breaking business ideas into self-sustaining business ventures.

We strive continuously towards nurturing individuals with creative minds and ideas with potential for substantial business opportunities. We thereby want to inculcate the spirit of entrepreneurship among young minds and become a pathway towards India's socio-economic development.

"ISME offers curricular and co-curricular activities that seamlessly blend theory with the real world.

All the clubs are run by students to encourage student autonomy. The activities of various clubs help shape the minds of the students, develop communication and problem solving skills. It helps us connect with our peer group where ideation takes place."

Rakshitha Shetty
BBA, 2024-27

Rakshitha's Testimonial

Cultural Club

The Cultural Club aspires to enhance personal skills and experience personal skills such as team work, collaboration, time management and organizational skills, open-mindedness, ability to cope with criticism and learn from them. This Club along with other clubs also organizes ISME's Intercollegiate cultural extravaganza known as Buzi Buzz and programs such as TedX every year inviting eminent speakers from various facets.

Academic Chapters

The Academic Chapters for different specialisations organize guest lectures, visits to industries, business workshops, case study competitions and personality development workshops.

CSR Club

The CSR Club aims to sensitize the students about their duties towards the community they live in. The Club works towards ensuring an impactful transformation in the targeted area of social support and in developing a sense of empathy and responsibility towards the underprivileged.

NSS Club

The main objective of the NSS Club is to “Give back to the Society”. It helps in developing the personality and character of the students through community service. NSS Club at ISME encourages students to take part in all kinds of activities which involve helping people, standing up for a good cause, conducting awareness programs regarding health, hygiene, basic human rights etc. They also help the community in coming up with effective and efficient solutions. The NSS Club also focuses on promoting social responsibility, leadership and teamwork among students.

ISME FIT ZONE

The main aim of ISME FIT ZONE is to make students fit, flexible and strong. ISME is concerned about the health and fitness of its students, and believes in making a better and healthy society for tomorrow. ISME FIT serves as a platform for the students to develop themselves physically and mentally. The focus of the program is to develop flexibility, strength and endurance among its students.

ISME has sports center with world class Astro Turf Football field, Cricket along with cricket net for net practice, Basketball and Volleyball for all students.

At ISME, trekking is an exciting and adventurous activity that not only brings fun but also supports physical fitness, stress relief, and mental well-being.

It plays a vital role in the holistic development of students by nurturing leadership, decision-making, social bonding, teamwork, self-awareness, and personal growth.

24/7 EXPERIENTIAL LEARNING IN A WORLD CLASS RESIDENTIAL CAMPUS

ISME has a modern on-campus hostel for boys and girls. It features an open-air amphitheatre, basketball and other sporting facilities with round-the-clock security. The entire hostel is Wi-Fi enabled for uninterrupted learning environment outside the class.

Some of the facilities provided in the hostel and campus are:

Hot/Cold Water • Pollution-free atmosphere • North and South Indian veg food • 24/7 CCTV Monitoring • RO filtered drinking water Spacious playground • Ragging-free campus • 24/7 security • Separate Recreational Room with TV • Volley Ball Court • Badminton Court • Basket Ball Court • Astro Turf Football Field.

"My hostel life at ISME has been full of fun, friendships, and memorable moments. From celebrating festivals together to enjoying the variety of food at the hostel and canteen, there's always something to look forward to.

Overall, it feels like a home away from home."

Harsh's Testimonial

Harsh Binaikia
PGDM, 2025-27

Cafeteria

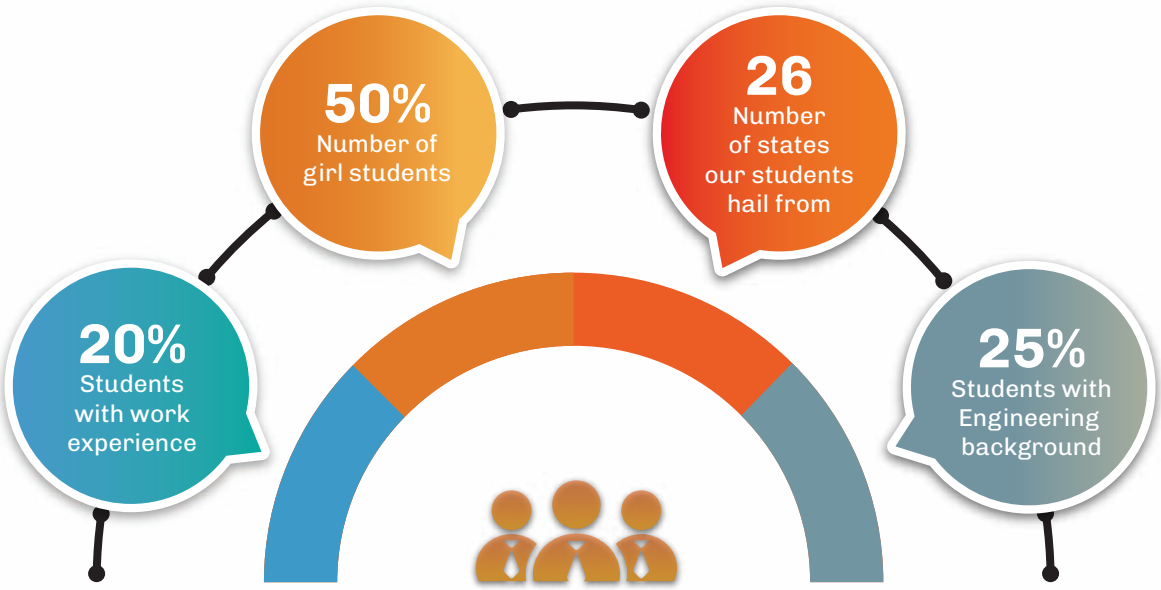

The spacious campus has a Canteen and a Rooftop Cafeteria with a magnificent view of the amphitheatre. Apart from being a favourite hang-out for social interactions, the Canteen provides homely, healthy and hygienic food.

CELEBRATING DIVERSITY WITH INDIVIDUAL FOCUS

ISME is a home to many Indian and International students. Students from different parts of the country come to ISME to build their future. Life @ISME is a blend of many backgrounds and cultures. With the stage set for a constant exchange of customs and traditions, the air and mood is always of bonhomie, oneness and fun.

PERSONALISED PLACEMENT TRAINING & ACCESS TO 260+ RECRUITERS

ISME's placement training is tailored to each student's strengths, career goals, and industry aspirations. With one-on-one mentoring, skill gap identification, and customized modules, students receive focused preparation that builds confidence and readiness.

Placement Oriented Value Added Term (POVAT)

ISME offers a unique mini semester focused on preparing students for the corporate world. These trainings are beyond the regular academic program which helps in transforming students for a smoother transition into the corporate world.

The unique 5-week training program is aimed at preparing students for the Placement Season. The courses are:

Week 1	**Aptitude & Leadership Development**
Week 2	**Technical Skills & Professional Development**
Week 3	**Advanced Technical Certification Pathways**
Week 4	**Employment Readiness & Domain Preparation**
Week 5	**Career Immersion & Placement Preparation**

Career-Ready, Individually Guided

From mock interviews and group discussions to resume building and industry-specific coaching, we ensure every student is prepared for success. This personalized approach empowers graduates to excel during placement and thrive in their chosen careers.

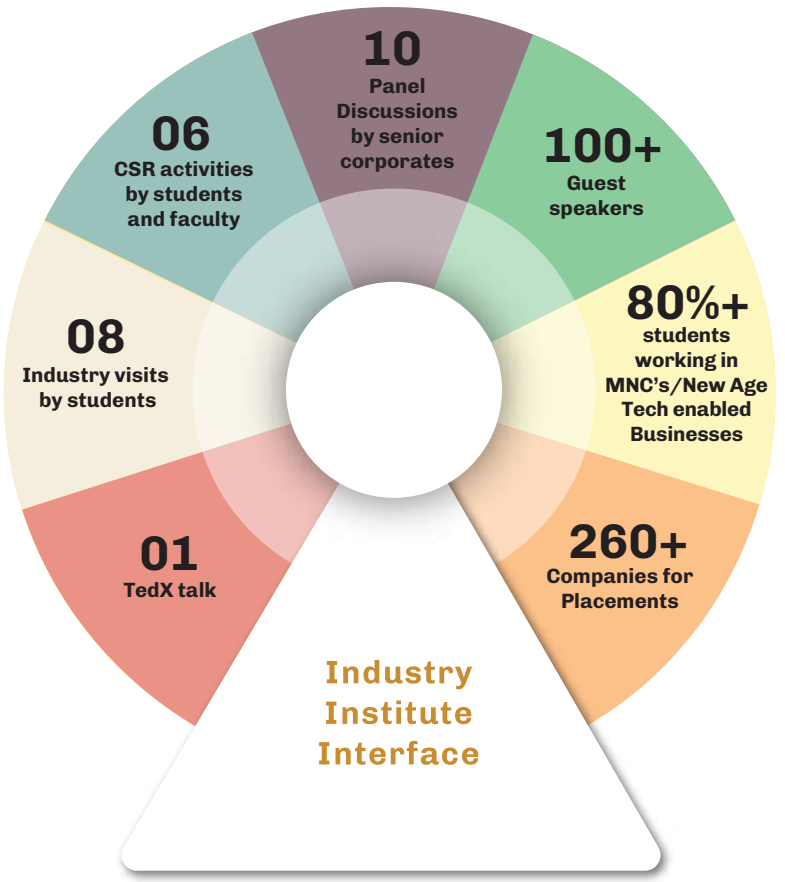

"My journey at ISME has helped me grow academically and professionally. The POVAT sessions conducted before placements were particularly valuable, as it provided opportunities to earn industry certifications. Courses from Griffin's Academy strengthened my resume and boosted my confidence during interviews.

These practical learning opportunities at ISME have helped me develop relevant skills and prepared me to face the corporate world with greater confidence."

Abhishek Kumar Thapa
PGDM, 2024-26

Abhishek's Testimonial

Industry-focused curriculum

ISME's curriculum is regularly updated in consultation with industry leaders to keep students aligned with evolving workplace practices across disciplines.

Bridging Academia & Industry

Learning extends beyond the classroom through regular panel discussions and talks by corporate leaders, coupled with organized industry visits that provide students with first-hand insights into corporate culture and industry operations.

Internship Guidance

During their internship in an organization, every student has a faculty mentor who is connected with the manager of the company. This faculty mentor helps the student gain maximum out of the internship by being an interface between the company's manager and the student.

Managerial Skill Development

An important part of business success is soft skills. At ISME, students are groomed in time management, leadership, creativity, negotiation skills, business etiquette, etc. as a part of the Managerial Skills Development program.

EXPERIENTIAL LEARNING ALL THE WAY

Summer Internship

ISME's Career Opportunity Center helps place first year PG and third year UG students as summer interns for 8 to 10 weeks with various Corporates and Industries. This helps students get their Industry experience and enables them to decide on their specialisation.

Career and counselling

The Career Opportunity Cell organizes workshops on resume building, cover letters, interview skills, job search skills, networking and counselling sessions to help prepare students to develop effective interpersonal and presentation skills.

Recruiting activities

The Center organizes on-campus and off-campus recruitment events where companies are invited to participate, share and discuss career opportunities in their organization. Every year there are over 260+ companies visiting ISME to recruit students at various organisational levels. ISME has achieved a 100% placement record since its inception.

WHAT MAKES ISME INTERNATIONAL

ISME's Leadership Team with EFMD Peer Review Team

A GLOBAL BENCHMARK OF EXCELLENCE

The EFMD Program Accreditation is regarded as the most comprehensive international system for evaluating business and management programs across face to face, blended, and online formats. Achieving this recognition confirms ISME's commitment to delivering education that is peer reviewed, globally benchmarked, and industry relevant.

HIGHLIGHTS OF ISME'S STRENGTHS RECOGNISED BY EFMD EXPERT COMMITTEE

- Strong institutional focus on the world of practice
- Deep faculty engagement with industry
- Responsiveness to evolving business needs
- Individualized learning support from faculty
- Teaching enriched by practitioners and industry experts
- Opportunities for project based work and internships
- Robust career services and placement support
- Inclusion of diverse stakeholder perspectives

RECOGNITION OF BEST PRACTICE

The EFMD Program Accreditation Board commended ISME's PGDM program for demonstrating outstanding quality well above the required standards, identifying it as an example of best practice in management education.

This milestone underscores ISME's dedication to nurturing globally competent leaders through a program that is internationally recognized, industry connected, and student focused.

ISME INTERNATIONAL COLLABORATION

Over the years, ISME has enhanced its relationship with the leading universities in Europe, USA and Asia Pacific. Our faculty have taught in leading International Universities and are involved in several joint collaborations.

Our Under Graduate students have number of opportunities for pathway programs in higher studies after Graduation with ISME partnering Universities. ISME students will benefit from pre-approved admissions, significant fee waiver, scholarships and credit transfers.

GLOBAL EXPOSURE - THWS, GERMANY STUDENT EXCHANGE

Study in one of Germany's most captivating regions, right in the heart of Europe

THWS (Technical University of Applied Sciences Würzburg Schweinfurt), located in Bavaria's scenic Mainfranken region, Southern Germany, offers ISME students an international exchange opportunity through the THWS International Campus Connect (THWS i-Campus). Welcoming students from over 70 countries, THWS provides a multicultural environment where participants can take courses, collaborate globally, and gain valuable exposure. The program is open to all the PGDM and Under Graduate students, with special benefits for high achievers. It is an excellent opportunity for students to strengthen academic credentials and gain international experience.

PROGRAM BENEFIT

▶ **UG Toppers:** Upon completing six semesters, top-performing students in the undergraduate program are eligible to participate in a six-month certification course at THWS.

▶ **PGDM Toppers:** Top students from the PGDM batch are provided with the chance to pursue a three-month certification course, between the 1st and 2nd year.

A significant benefit of this program is that the tuition fees for these certification courses is completely waived, making it an attractive opportunity for academic achievers to enhance their credentials and gain international exposure without the financial burden.

Signing of MOU with THWS, Germany by the Director, ISME - Dr. Nitin Garg and Co-Chairman of the Executive Board, THWS - Dr. Rainer Wehner

"Through ISME Bangalore's exchange program in Germany, I experienced a highly practical, textbook-free education and travelled to four countries, while developing my fintech start-up, Fin PLT Ai, and pitching it to German investors who offered to invest—a life-changing journey that expanded my competitive outlook to a global scale"

Kanak Agarwal
PGDM, 2025-27

Kanak Agarwal's Testimonial

Rahul Prabhakar's Testimonial

"Rahul Prabhakar Selvaraj completed an international internship in Germany with MedCheck Project, developing an AI-powered health platform to enhance primary care access in rural India. He built a Minimum Viable Product (MVP) using no-code tools, addressing real healthcare challenges under cross-cultural mentorship".

Rahul Prabhakar
PGDM, 2024-26

INTERNATIONAL BUSINESS CERTIFICATION PROGRAM FROM MDIS, SINGAPORE

Students of ISME visit Singapore as part of the International Business Program. This is a part of their experiential learning. It provides them a certification in International Business from MDIS. This experiential learning combines academic rigor with practical exposure, giving students the chance to interact with local peers and immerse themselves in a global environment.

The program is structured around three dimensions - Academia, Industry, and Culture. Faculty workshops build business knowledge, industry visits provide insights into organizational practices and leadership, and cultural immersion showcases Singapore's diverse, integrated society.

Residing at SIM or MDIS hostel, students gain first-hand exposure to everyday life in Singapore. By completing the program, they not only earn a recognized certification but also develop adaptability, confidence, and global perspectives that prepare them for future leadership. Students who successfully complete all requirements of the academic sessions are awarded a certificate by the respective Institute.

Singapore Trip Video

"Being part of ISME's Singapore International Immersion Program 2026 was a truly enriching journey. The academic sessions on AI, innovation, and global trade, along with industry visits to URA, MAS and Hyundai Motors, helped me gain valuable insights into International Business Practices and Emerging Technologies".

Palak Srivastava
B.Com + ACCA, 2024-27

Palak's Testimonial

LEARNING BEYOND BORDERS - MDIS SINGAPORE

As a part of the study program in Singapore, MDIS (Management Development Institute of Singapore), conducts various workshops and guest lectures for ISME students, focusing on professional development, skill enhancement, and personal growth.

These workshops cover topics-•**International Trade & Business:** Understanding the frameworks and forces driving global commerce •**Strategy in Leadership:** Exploring how great leaders think, decide, and drive organizations forward; •**Cross-Border E- Commerce:** Unpacking the opportunities and challenges of doing business across markets; •**Make AI Your IA (Intelligent Agent):** Learning to harness AI as a partner in decision-making and productivity.

Beyond the sessions, students get hands-on experience with group presentations and case study discussions, sharpening their ability to think critically, collaborate across cultures, and communicate ideas with confidence.

INDUSTRY VISITS IN SINGAPORE

Industry visits in Singapore offer a unique opportunity to observe the work in companies and sectors that are leading in innovation in the region. These visits are particularly beneficial for students looking to understand Singapore's vibrant business environment.

Students visit various Industries such as •**URA Singapore:** Insights into world-class urban planning and sustainable development; •**MAS Singapore:** Understanding the Monetary Authority's role in financial stability and fintech innovation; •**Marina Barrage & Gardens by the Bay:** Examples of engineering excellence and sustainable infrastructure; •**Hyundai Motor Group Innovation Centre:** Exposure to Robotic Manufacturing and Next-generation EV Technology.

INTERNATIONAL BY CREDENTIALS AND CULTURE

A group with global operations

ISME's parent organization, NVT Quality Certification (NVT QC) is an ISO accreditation body that has certified companies for over 30 years across 36 countries. NVT QC helps in bringing a culture of best practices and the philosophy of quality into ISME. NVT Group also operates National Public School (NPS), India's leading CBSE school in Whitefield, East, Silk Board and Marathahalli with over 3500 students.

International background of leadership

ISME has been founded by alumni from leading US institutions like Carnegie Mellon University, Purdue and Wharton Business School, USA.

International academic partnerships

ISME has various International tie - ups with top universities around the world in countries like Singapore, Australia, USA, Canada, Germany, Malaysia and France for study programs, faculty exchange, student exchange, pathway for Under Graduate students and joint research.

Faculty with international exposure

All faculty at ISME bring with them an international exposure, which they have gained either by having studied abroad in leading universities or have worked in MNCs.

Global inputs

Our students are a part of courses designed and offered at some of the top business schools leading to additional certifications like Business Strategy Game from Professor Arthur Thompson, University of Alabama, USA and International Business Certification from Management Development Institute of Singapore (MDIS), Singapore.

India Business Study Program

ISME conducts India Business Study Program, which helps international students get the exposure to business and culture opportunities in India.

SHINING IN CORPORATE ARENAS: ALUMNI

Building Lifelong Connections

Alumni are an integral part of ISME, enriching the student experience through mentorship, networking, and collaboration. They represent diverse sectors worldwide, serving as role models and bridges to global opportunities. Each success story strengthens our legacy, creating a lifelong network of support, inspiration, and pride.

Celebrating Our Alumni

ISME takes immense pride in its alumni who continue to inspire with their achievements across industries and geographies. From corporate leaders and entrepreneurs to innovators and changemakers, our graduates embody the values of resilience, adaptability, and purpose instilled during their time on campus. Recently, ISME has celebrated 20 years of completion with it's Alumni.

RECRUITERS SPEAK

TALENT THAT'S WIDELY ACKNOWLEDGED AND VALUED.

"At ISME, we've found students to be grounded, enthusiastic, and eager to learn and contribute. We value their open mindset, strong fundamentals, and willingness to take on challenges. Many have grown into higher roles, demonstrating their commitment to learning and organizational success. ISME students bring the right attitude and passion to the corporate world."

-Rashi Chhabra-Head-Talent Aquisition-Broadridge

My association with ISME has been a pleasing experience. I was quite enthralled with the quality and efforts of its corporate resource center and a highly motivated placement cell, which ensures each and every student gets an opportunity to get a good job and kick-start their career. The college puts genuine efforts into nurturing each student, preparing them both mentally and physically to take on the challenges of the corporate sector. We are incredibly happy and thankful to ISME for the continued association with Grant Thornton INDUS.

- Ankur Garg - Associate Director - Grant Thornton

Federal Bank has been recruiting and been a part of ISME from the past few years. With the quality of students joining us, we would like to come again for Recruitment.

Sanjeeva Kumar Kakamari- Dy Vice President, Unit Head – Federal Bank

"The students are just exceptionally talented and the co-ordination from the placement committee was outstanding"

Thank you for choosing us.

Ms. Prakalya M - Lead - Talent Acquisition – My Gate

"A key ingredient of a knowledge worker is the ability to think on their feet and the 'fire in their belly' that will keep them driven. The students of ISME have shown that these qualities are part of their working culture both as student (during internship) and as a corporate citizen at IDC."

- Venu Reddy - General Manager - International Data Corporation

"I've had the privilege of engaging with ISME and have been consistently impressed with their proactive placement cell, the outstanding quality of their students, and the seamless interactions throughout. Their commitment to fostering well-rounded management professionals is evident, making collaborations both easy and productive. ISME truly stands as a hallmark of excellence in management studies."

- Madhura Donde - Lead HR Business Partner, Hector Beverages Pvt Ltd

YOUR JOURNEY TO GLOBAL READINESS BEGINS HERE...

Welcoming students from overseas and 26+ states of India, ISME fosters a diverse environment enriched by an excellent faculty-student ratio and a well-designed, practical curriculum that transforms learners into confident, adaptable individuals ready to succeed in the corporate world with resilience and purpose.

With an open-door culture, students engage closely with faculty, gaining confidence and prepare them to take ownership of their journey. Institutional Excellence provides the foundation, Individual Attention makes learning personal, International Immersion expands horizons, and Industry Trajectory connects knowledge to the real world, ensuring every graduate leaves prepared to lead with confidence and vision.
