Action Taken Report on Curriculum Feedback 2018-19

An Action Taken Report at the International School of Management Excellence (ISME) is a concise overview of steps taken in response to feedback from stakeholders like students, faculty, alumni, and parents. It plays a crucial role in refining ISME's curriculum and educational experience. The FAS highlights key feedback themes and outlines specific actions implemented by the school administration or curriculum team. These actions may include curriculum updates, teaching method adjustments, student support enhancements, or facility improvements. The report also includes plans for ongoing monitoring to ensure effectiveness. Ultimately, the FAS underscores ISME's commitment to continuously improving its educational offerings based on stakeholder input.
